Sub: Application for the position of "Junior Web Developer"

Dear Sir,

I am pleased to be applying for the Web Developer position at X Corporation. My extensive experience with designing and developing websites using JavaScript, react, node which matches well with your requirements. I am a highly motivated and progress-focused web Developer. With a track record of initiative and dependability, I have devised strategic initiatives which I believe will prove valuable to X Corporation.

Throughout the course of my career, I have achieved my web design and development abilities. I am a capable and consistent problem-solver skilled at prioritizing and managing projects with proficiency.

I have completed 30+ web projects previously which makes web programming, critical thinking to me more comfortable and gives me more confidence. I am progressive minded and in tune with new developments in my field. I have proven to be effective and collaborative with strong innovation talents. I enjoy collective brainstorming sessions which all me to coordinate activities to achieve a common goal.

Please take a moment to review my attached resume and credentials. I would greatly appreciate the opportunity to speak with you regarding my candidacy.

Thank you for your consideration.

Sincerely,

MD. Mahmudur Rahman
